If you move to live in a Jewish-controlled country such as Canada or the United States, you can hardly expect to be allowed to say what you like about Jews and Israel.

Just as, if I moved to China, I would encounter difficulties saying what I liked about Tibet, the Uighurs, or the Falungong.

Downvotes come from people so thick that they didn't realise that the countries they emigrated to are Jewish-controlled!

The only space on the web dedicated to critically examining the Asian male experience.

RULES

1. All submissions are subjected for review. If you want approval, then do **not** message us or delete them before 48hrs of post time. Submissions are limited to text-based posts. You may include links to newsworthy items within that post along with your analysis on how it relates to the Asian male experience. This is to encourage the exchange of ideas between us, rather than merely commenting on the world around us.
2. Link Posts Must Be Accompanied by Your Own Analysis of the Content: Link post submissions must include your analysis of the content and how it relates to the Asian male experience. This is to encourage the thoughtful and effortful exchange of ideas between us, and to discourage low-effort submissions. This information must be included in the Text field with any link submission (minimum 300 characters).
3. No outrage porn or unproductive whining/minging/salt farming in top level posts or comments.
4. No unnecessary or drawn-out shouting matches.
5. It's okay to be angry, but no outright wishes of violence to any group of people.
6. Asian male posters only, allowance for anyone else is up to the mods.

Please utilize the REPORT button if you see any violations of these rules and a moderator will address your concern as soon as possible.
